Club News

A warm welcome is extended to all skaters and their families as we begin the 2010-2011 Skating Season. We want to thank our team of dedicated coaches who continually strive to deliver top-notch quality programs. There is still time for you to sign up for the 2010-2011 season. As this season marks the 50th Anniversary of the Point Edward Skating Club, we have an exciting season planned and would like you to be a part of it.

About Our Club

The Point Edward Skating Club was incorporated in January 1961. As we come into our 50th season of operation, our positive learning environment continues to provide the opportunity to enjoy skating for fun, fitness and personal achievement. We are fortunate to have such a wonderful coaching staff and many active volunteers who make this club such a great place to skate.

Booster Table

The Booster Table will be open periodically throughout the skating season. Please watch the bulletin board for times and dates. The Booster Table sells gently used skating apparel as well as new, unused skating accessories. Proceeds from the Booster Table help to offset purchases of equipment used to assist skaters, coaches and parents in the operations of the Club. If you have any new or gently used skating items that you would like to sell, the Booster Table would be pleased to take them on consignment. All items should be clean and in saleable condition. Please price your items. We accept cash or cheque.

Bulletin Board

There will soon be a bulletin board inside the arena. Please be sure to check it often for announcements, upcoming events and volunteer sign-up sheets.

Fundraising

Fundraising is a vital part of the PESC. Without the fundraising efforts of our skaters and their families, we would not be able to offer affordable programs at all skill levels. Please consider assisting in one or more of our fundraising efforts.

Chocolate Bars

Chocolate bars are still available. If you wish to sell additional cases, please contact a Board Member.

Skate Canada Promotional Books

This fundraising initiative helps to support our Club as well as our governing body, Skate Canada – Western Ontario Section.
Ticket stubs must be returned to Donna MacDonald by November 30th, 2010 in order to be included in the draw.

Reminder

As a reminder to all parents/guardians, young skaters are not to be left unattended at the Arena during their skating session.

Parents are also asked to refrain from sitting in the penalty box area, as this is a distraction to both skaters and coaches.

Your cooperation is appreciated.
